7.3 All amounts due herein from the Tenant shall be deemed to be rent.

8. The Tenant shall pay a Security Deposit set forth in Schedule "A" upon possession of the Site.

ASSIGNMENT

9. This Lease Agreement shall not be assigned by the Tenant to anyone.

ROADWORTHY RECREATIONAL VEHICLES

10.1 Subject to paragraphs 10.1 and 10.2 below, the Tenant may place a recreational vehicle on the Site until the Termination Date. Notwithstanding the foregoing, the Tenant shall not place any structures on the Site, except those that were located on the Site at the commencement of the Term of this Lease. All recreational vehicles placed on the Site must be on a wheel based carriage structure, roadworthy, licensed and insured in accordance with the laws of Alberta.

10.2 No recreational vehicle may be placed on the Site unless that vehicle is in good working order and is not unsightly, both of which are to be determined by the Landlord in its sole discretion.

10.3 No recreational vehicle more than 15 years of age may be placed on the Site unless the Landlord agrees in writing to such placement.

10.4 Notwithstanding paragraph 10.3 above, if the Tenant has continuously rented a Site in the Park for any number of successive years and the Tenant's recreational vehicle is more than 15 years old but less than 25 years old, the Tenant may continue to use the recreational vehicle on the Site. The Tenant is responsible for all costs associated with damages to the Tank or its replacement including all environmental remediation costs.

SECURITY DEPOSIT

12. In addition to the rent payable to the Landlord, set forth in paragraph 7 above, the Tenant shall pay the Security Deposit specified in Schedule “A” hereto for entrusting the Site to the care of the Tenant. The Landlord will refund the Security Deposit, without interest, within 14 days of the Landlord receiving a Security Deposit from any subsequent Tenant who occupies the Site, subject to any set-off claim that may be applied by the Landlord against the Security Deposit for any amount payable by the Tenant to the Landlord under this Agreement.

ACCEPTANCE OF SITE BY TENANT

13. The Tenant accepts the Site and the infrastructure and facilities of the Park “as is” without any entitlement or claim against the Landlord, its shareholders, directors, agents and employees. The Tenant acknowledges that the Landlord has made no representations to the Tenant about the Site and that the Tenant has inspected the Site before signing this Agreement, and that the Tenant is satisfied with the state and condition of the Site.

TENANT IMPROVEMENTS

14. The Tenant may place additions or improvements (“Tenant Improvements”) on the Site provided that the Tenant first obtains written permission from the Landlord to do so. No Tenant Improvements to the Site – including, by way of example, and not intended to be all inclusive: park model trailers, cabin and cottage style dwellings, bunk houses, Arizona rooms, covered decks, carports, oversized and additional sheds, gazebos, and the like – are to be of a permanent nature and must be capable of removal with a minimum amount of effort. All landscaping improvements whatsoever, including placement of soil, grass, gravel fill, decorative rock, shrubs, trees and the like, shall become the Landlord’s property upon placement of the same on the Site and shall not be removed by the Tenant unless directed to do so by the Landlord. All Tenant Improvements placed by the Tenant shall be constructed in a workmanlike manner and shall be safe for use, and free of danger, to all parties visiting the Site. Such improvements shall comply with all laws, bylaws and regulations governing them. The Tenant assumes all risk, liability, and cost arising directly or indirectly as a result of the Tenant Improvements including underground line locating or damage thereto. Where the Tenant is in breach of these obligations, the Tenant shall pay, upon demand, to the Landlord for costs incurred by the Landlord remedying the Tenant’s breach of their obligations referred to in this paragraph 14. The Tenant agrees such charge to be reasonable and not a penalty.

PARK SERVICES

15. Electrical power will be provided to the Site by the Landlord from May 1 to September 30.

16. Water will be provided to the Site by the Landlord between the Victoria Day weekend in May, weather and ground frost permitting, to the date of the first frost warning in September.

17. Notwithstanding the Term of this Lease, provision of electrical power and water supply will not be the responsibility of the Landlord outside the dates noted above. The Tenant will arrange for their own electricity and water supplies at any time outside the Landlord’s responsibility to provide water or electricity. The Landlord shall incur no liability whatsoever to the Tenant in the event of failure to provide electrical power and water to the Park and the Site due to causes beyond the Landlord’s control.

18. Facilities available to the Tenant and their guests in the Park include laundry, bathroom and showers which are available during the Season, weather dependent and subject to closure for maintenance. Such facilities will be completely closed at any time during the month of October up to and including the commencement of a new Season.

19. The Landlord will not supply any snow removal services and any snow removal shall be performed by the Tenant in a workmanlike manner at the Tenant's cost.

SITE AND VEHICLE RESTRICTIONS

20. The Tenant shall not use the Site or the Park's facilities as a permanent residence. The Tenant shall not store winter recreational vehicles or other chattels within the Park or on the Site except as expressly permitted by this Agreement.

TENANT'S RISK AND INSURANCE

21. The Tenant agrees that the use and occupation of the Site and the facilities of the Park by the Tenant or the Tenant's guests or invitees, and any loss, damage or destruction to the Tenant Improvements or the Tenant's assets located within the Park shall be at the sole risk of the Tenant. The Tenant will at all times maintain sufficient insurance to replace the Tenant's assets within the Park, together with liability insurance that is appropriate to cover the Tenants public liability risk during the Term of this Agreement, or any renewals or substitutions thereof. The Tenant's insurance policy shall name the Landlord as an additional insured and shall contain a clause waiving subrogation against the Landlord. Such insurance policy shall provide for comprehensive general liability insurance, insuring against claims for bodily injury, including death, and property damage or loss arising out of the use and occupation of the Site by the Tenant and shall be in an amount of not less than \$2,000,000.00. The Tenant shall place such additional insurance as the Landlord may reasonably require and the Tenant shall provide the Landlord with either a copy of the said insurance policy or cover note of insurance before the Tenant takes possession of the Site. The Tenant shall provide the Landlord with evidence of insurance aforesaid on or before the commencement date of this Lease and on or before the commencement date of any renewal thereof. The Tenant hereby releases the Landlord from any claims arising as a result of loss or damage to the Tenants goods, assets or improvements.

22. The Tenant hereby saves harmless and indemnifies the Landlord, its officers, directors, shareholders, agents and employees and all other parties for which the Landlord is responsible at law from any and all costs, charges, claims, actions, damages and liabilities of every nature and kind (including the Landlord's legal costs as between solicitor and his own client on a full indemnity basis) arising directly or indirectly from: the Tenant's breach of this Agreement; the use and occupation of the Site and the use of the Park by the Tenant or the Tenant's invitees; the storage or use of the Tenant's chattels or Tenant Improvements; and, the acts, errors, omissions or negligence of the Tenant or the Tenant's guests, invitees or others for which the Tenant is responsible.

RULES AND REGULATIONS

23. The Tenant shall ensure that the Tenant and the Tenant's guests and invitees shall abide by the Park Rules and Regulations in Schedule "B", which are hereby incorporated into and form part of this Agreement. Any defined terms in this Agreement and the Rules and Regulations shall have the same meaning.

BREACH OF RULES AND REGULATIONS

24. Should the Tenant or the Tenant's guests or invitees breach any provision of this Agreement, including any of the Park Rules and Regulations, the Landlord may, in its sole discretion, terminate this Agreement upon providing written notice to the Tenant delivered to the Site or mailed to the address of the Tenant stated in this Agreement. The notice shall be deemed to have been served three clear days following mailing or on the date of posting the same. Further, the aforesaid notice may be provided to the Tenant as set forth in paragraph 36 of this Agreement.

25. If the Landlord terminates this Agreement, any unused portion of the Rent paid by the Tenant shall be forfeited as liquidated damages and not as a penalty. Upon termination of this Agreement by the Landlord, the Tenant shall remove its recreational vehicle, watercraft and other chattels (collectively "Tenant Chattels") from the Park within five (5) days of receipt of the termination notice from the Landlord. With the Landlord's written permission, the Tenant Improvements may be sold by the Tenant by the commencement of a new Season (the "Removal Date"), to a new Tenant acceptable to the Landlord in its sole unfettered discretion. Should the Landlord withhold its permission or if the Tenant does not sell the Tenant Improvements, then the Tenant Improvements must be removed by the Tenant and the Site restored by the Tenant to its natural ground state no later than the Removal Date. Any Tenant Improvements not so removed shall be deemed abandoned by the Tenant and shall become the property of the Landlord without any claim thereon by the Tenant. The Landlord may sell the Tenant Improvements either privately or at public auction and all sale proceeds shall belong to the Landlord without any claim thereto by the Tenant.

DEFAULT

26.1 (a) If any rent, deposits or other charges or amounts due are not paid punctually on the due date to the Landlord, the Site and Tenant Improvements shall, at the Landlord's option, on notice to the Tenant, be deemed abandoned by the Tenant and the Landlord may re-let the Site. Any late payment accepted by the Landlord will bear interest at the rate of 24% per annum until paid and a \$35 fee will be assessed for NSF payments, but nothing herein expressed or implied shall be construed so as to require the Landlord to accept late payments. Any acceptance by the Landlord of amounts due to the Landlord to the date of termination of this Lease shall not be construed as a consent by the Landlord to waive the Landlord's termination of this Agreement.

(b) Upon the occurrence of any event described in paragraph 26.1(a) above, the Landlord may move any or all of the Tenant's Property (including the Tenant's recreational vehicle, and Tenant Improvements) from the Site to a secure location in the Park and the Tenant hereby appoints the Landlord as the Tenant's agent to move the Tenant's property as contemplated in this paragraph 26.1(b). The Tenant shall have no claim against the Landlord if the Tenant's property is damaged while being disassembled, moved or stored at the place to where the Tenant's property is relocated in the Park by the Landlord.

26.2 The Landlord may distrain for the rent hereby reserved, or for any money hereby made recoverable by distress, upon the goods and chattels of the Tenant wheresoever situated and upon any other premises to which the same may have been removed or wherever the same may be found. Whenever the Landlord is entitled to levy distress against the goods and chattels of the Tenant, the Landlord may use such force as they may deem necessary for that purpose and for gaining admittance to the Site in which such goods and chattels are situated without being liable to any action in respect thereof, or for any loss or damage occasioned thereby and the Tenant hereby expressly releases the Landlord from all actions, proceedings, claims or demands whatsoever for or on account of or in respect of any forcible entry or any loss or damage sustained by the Tenant in connection therewith. The Tenant waives and renounces the benefit of any present or future Act of the Legislature of Alberta

taking away or limiting the Landlord's right of distress. Any goods distrained by the Landlord may be sold by the Landlord at public auction or by private sale as the Landlord may, in its sole discretion, decide and the Landlord is at liberty to purchase such goods.

INDULGENCES

27. The Landlord's granting of any indulgences to the Tenant for any breach of this Agreement, or extension time, shall not be construed as a further indulgence on subsequent breaches or extension of time.

TIME

28. Time shall in every respect be of the essence of this Agreement.

TENANT'S TERMINATION OF LEASE

29. If the Tenant does not wish to renew the tenancy of the Site for the following Term, the Tenant shall notify the Landlord of that no later than March 1 preceding the Termination Date. In such event the Tenant must remove the Tenant's Chattels from the Site by no later than the Termination Date (April 30). Until the Termination Date, and subject to the written approval of the Landlord, Tenant Improvements may be sold by the Tenant to a new Tenant acceptable to the Landlord in its sole unfettered discretion. If the Landlord does not provide such approval then the Tenant must remove the Tenant Improvements and the Site must be restored by the Tenant to its natural ground state. Up to the Termination Date, the Landlord may provide contact information for the Tenant to any parties interested in acquiring the Tenant Improvements. If the Tenant does not remove or sell Tenant Improvements by the Termination Date, the Tenant Improvements shall be deemed abandoned by the Tenant and the Landlord may deal with them as set forth in paragraph 25 above.

LANDLORD'S RIGHTS TO REFUSE RENEWAL

30. Notwithstanding anything expressed or implied in this Agreement, the Landlord may, in its sole unfettered discretion, elect to not renew this Agreement or enter into a Lease Agreement with the Tenant for any successive Term, by notifying the Tenant in writing by the Termination Date of the current Term or renewal thereof. On or before the Termination Date the Tenant shall remove the Tenant's Chattels and sell or remove the Tenant Improvements as herein provided. Up to the Termination Date, the Landlord will provide contact information for the Tenant to any parties interested in acquiring the Tenant Improvements. Any Tenant Improvements not sold or removed by the Termination Date shall be deemed abandoned and the Landlord may deal with them as set forth in paragraph 25 above.

SALE OR REMOVAL OR TENANT IMPROVEMENTS OR CHATTELS

31. The Tenant shall not sell the Tenant Improvements for more than the actual cost incurred by the Tenant that can be verified by receipts. The Tenant may not add to the cost of the Tenant Improvements the value of labor of the Tenant or Tenant's family members and friends, nor may a markup be added for any rights to the Site.

32. The Tenant shall be responsible for all expenses (including the Landlord's legal fees on the scale as between solicitor and his own client on a full indemnity basis) associated with the removal of the Tenant Chattels, sale or removal of the Tenant Improvements, and restoration of the Site to its

natural ground state, as herein provided. In its sole and unfettered discretion, the Landlord may in whole or in part, and without compensation to the Tenant, take possession of and title to any Tenant Improvements abandoned or deemed abandoned. The Tenant shall pay to the Landlord its cost of removal or repair of the Tenant Chattels or Tenant Improvements, and restoration of the Site to its natural ground state in whole or in part, including a reasonable fee for the Landlord's employees performing such work. The Tenant shall not have any claim whatsoever against the Landlord by reason of the Tenant not being able to, by the dates provided herein, sell or remove the Tenant Improvements, restore the Site to its natural ground state or remove the Tenant Chattels.

STORAGE CHARGES

33. If the Tenant does not remove the Tenant Chattels by the date(s) provided in this Agreement, the Landlord shall be entitled to remove the Tenant Chattels from the Site at the Tenant's cost. The Landlord shall have a lien on the Tenant Chattels for storage charges (which the parties hereto deem to be reasonable) at the rate of \$35.00 per day calculated from the date such Tenant Chattels should have been removed, together with the cost of removal and transportation charges. If the Tenant fails to pay storage charges, within 5 clear days of receiving written notification thereof from the Landlord, then the Tenant Chattels shall become the Landlord's property and, the Landlord may sell the Tenant Chattels either privately or at public auction and the provisions of paragraph 25 hereof shall apply. After the deduction of the Landlord's costs related to removal, transportation and sale of the Tenant Chattels, the balance shall be applied against storage charges and any shortfall shall be paid by the Tenant. The Tenant shall have no claim whatsoever for any damages to the Tenant Chattels, however caused. Notwithstanding the foregoing, the Tenant does hereby grant the Landlord the authority to discard or destroy any of the Tenant Chattels left on the Site by the Tenant that the Landlord, in its sole unfettered discretion, deems unsuitable or worthy of storage.

COMPLIANCE WITH LAWS

34. The Tenant shall obey and comply with all statutes, bylaws, rules and regulations of all Federal, Provincial, Municipal or other authority and shall not do anything within the Park in contravention thereof. The Tenant shall also comply with all Federal, Provincial, Municipal and other authority directives, laws, rules, and regulations pertaining to a public health crisis. The Tenant shall indemnify and save harmless the Landlord in respect of any breach of this provision of this Agreement.

AGREEMENT RENEWAL CONDITIONS

35. The Tenant's continued occupancy of the Site after the Termination Date shall be subject to the Tenant, no later than the Termination Date, paying to the Landlord the Rental Rate for the subsequent Term as determined by the Landlord, and executing a renewal of this Agreement or entering into a new Lease Agreement in the format prepared by the Landlord. The Landlord will endeavor to communicate to the Tenant the Rental Rate for the following Term prior to the Termination Date. The obligations of the Tenant to remove Tenant Chattels, deal with Tenant Improvements, restore the Site to its natural ground state, and to pay all monies due to the Landlord, as herein provided, shall survive any termination of this Agreement by whatever cause.

LANDLORD'S COSTS

36. If the Tenant breaches any terms of this Agreement and the Landlord retains legal counsel to enforce any of the Landlord's rights herein, the Tenant shall pay all of the Landlord's legal fees in connection therewith on the scale as between solicitor and his own client on a full indemnity basis, together with all other costs incurred by the Landlord in relation to the foregoing.
