

# HILAH AYERS

After a brief hiatus, we are excited to announce that Ryan Desharnais has returned to the park to resume his duties as the general manager of Hilah Ayers. Sheri Airhart has also joined the team and will be working within management to provide administrative support and customer service assistance. There are a lot of fresh faces in the maintenance department too, who look forward to contributing to resort improvements and enhancing the overall camping experience for our tenants, guests, and visitors, so please be sure to give everyone a warm welcome.

We would also like to take this opportunity to share some changes to the upcoming activity schedule. Due to declining attendance, movies in the park will be held exclusively on long weekends, and during theme nights throughout the summer, weather permitting. Although we received a fair amount of playground overhaul participation interest, much like everything else, the price of commercial equipment has skyrocketed in recent months, so we are currently weighing our options. It also appears that the installation process needs to be completed by certified and licensed technicians to meet CSA standards; therefore, in lieu of labor, fundraisers and other member-organized philanthropic initiatives would certainly be appreciated at this time to help offset growing costs and stabilize future lease fees should we move ahead with the project as planned.

Finally, please be advised that a scheduled email outage will take place this weekend from 6:00 pm on Friday, May 27<sup>th</sup> to 8:00 am on Monday, May 30<sup>th</sup>, as we migrate to a new host server. In the meantime, organizational representatives can be reached at the following addresses:
